

## Product Data Sheet

Saylor's flat knitted tape manufactured from 100% high tenacity, continuous filament, industrial polyester yarn. This material is intended for use in applications requiring heat resistance to 180° Celsius. Saylor knitted tapes exhibit superior strength and durability when used for tying electrical apparatus in the motor and transformer industry. Saylor knitted tapes are uncoated.

Size Put-Up	Yards	Part Number	Thickness
1/4"	720	KP3025B	.030"
3/8"	360	KP3038B	.030"
1/2"	360	KP3050B	.030"
3/4"	360	KP3075B	.030"

**Color White Package: Double Flange Spool**
